Fundraising

Our first Trap Shoot meeting was a great success, but we are still looking for people to serve on the Committee. Our next meeting will be on Wednesday, December 6 right after our regular Booster business meeting. Please bring your ideas and plan to stay.

Not sure what we're talking about...Our 1st Annual Trap Shoot Fundraiser will be held at Coyote Valley Sporting Clays in April 2018. JJ Jeffries is the Committee Chair for this event, and he will have more info, as well as volunteer needs, available in the coming months. If you are interested in helping on the Committee, please contact Mr. Jeffries at goldstarmotor1@aol.com. Interested in volunteering during the event, we will be sending out a Sign-up Genius for volunteers closer to the event.

Thank you to everyone who came out and supported the Greenhand Auction on October 25. This is always a fun event, and this year kept that tradition alive. The Chapter managed to raise more this year than ever before, and it was all due to those who came out and bid so generously on the students!

An extra special thank you to those Boosters that helped provide refreshments and with the administrative part of the event. Your assistance is what helps the Chapter be able to pull off successful fundraisers like this one.

Social Media Info.

We have a [webpage](#) on the same site the students use. We, also, have a [Facebook](#) page, where we will post pictures and info about upcoming events, and are now on [Instagram](#) too. Make sure your students are checking their Google Classroom, not only for classroom stuff but also for things like the Livestock Application. If you haven't already, I recommend you make sure you are part of the *Remind* app, as many reminders and notifications are sent out to FFA students and parent through the app.
